On Wednesday, November 25, 2026 I, Sgt. Sindel was advised by Dispatch that the Duke & Duchess BP Gas Station at 4 Newark Rd. Mount Vernon, OH 43050 had called in stating that a KCSO Deputy had fueled up his cruiser there and upon leaving, forgot to return the fuel pump line and drove off causing the fuel line to detach from the pump. I was able to determine that the cruiser identified was cruiser 4213 driven by Involved Party Deputy William Cottrell. I made contact with the clerk at the Gas Station and he advised that after Deputy Cottrell left pump 4, approximately 1-2 minutes later he came back and advised the clerk of what had happened. The Clerk advised that he was not worried and that the pumps have a safety breakaway attachment to them in case this happens. Photographs were taken of pump 4 and a business card with my report number was given to the clerk in case they need a report in the future. Deputy Cook was able to re-attach the fuel line to pump 4 and we cleared the Call for Service.
