PRESS RELEASE

Mount Vernon, Ohio - June Summer Front Porch Concerts a Resounding Success; July Concerts Announced.

The Summer Front Porch Concert Series Committee is thrilled to announce the overwhelming success of the June 21st Front Porch Concerts and is excited to continue the music and fun on July 19th!

One June 21st, Mount Vernon residents and visitors alike were treated to a diverse array of musical performances that filled the East High Street neighborhood with melodies and brought the community together. From folk and jazz to rock and country, the Front porch Concerts showcased local talent and created a vibrant atmosphere.

"Despite the very warm evening, we were very pleased with the turnout and positive feedback we've received from the community," said Courtney DeCosky, member of the Front Porch Concert Series Committee. "The June concerts not only highlighted the incredible talent we have in our city, county, and region, but was a fun way to bring music to the heart of Mount Vernon.
