Initial Narrative By Richard Wise, 10/22/24 11:18

On October 22, 2024, a complainant reported a disturbance at their neighbor's residence. The caller advised that there was a male yelling in the adjacent yard and multiple dogs were fighting. The caller advised that he believed someone was bit by one of the animals due to the presence of blood on the male with the dogs. A Deputy Dog Warden, Sheriff's Deputies, and EMS responded to the scene. The dogs checked okay, and male was transported to Knox Community Hospital for medical evaluation and mandated to stay for a mental health evaluation. A report was completed for documentation.
