On March 28, 2026 a complainant called to report a resident at the group home where she works was hitting staff and picked up a shovel and was swinging the shovel. Deputies responded and made contact with the parties involved. The male resident was placed in handcuffs for everyone's safety and placed in the back of a marked patrol car. The guardian of the individual was contacted and the guardian advised that she would have the male mandated to stay at the hospital for everyone's well being. A deputy transported the male on the guardian's behalf and a staff member from the residence agreed to meet the deputy and guardian at the hospital. A report was completed for documentation.
