

ORDINANCE NO. 2026-__

**AN ORDINANCE TO CREATE A DESIGNATED OUTDOOR
REFRESHMENT AREA FOR THE VILLAGE OF CENTERBURG**

WHEREAS, Mayor Tom Stewart, requested in writing the Village of Centerburg exercise its authority granted in Ohio Revised Code Section 4301.82 to create a Designated Outdoor Refreshment Area (“DORA”); and

WHEREAS, Mayor Tom Stewart and Village Administrator prepared an application and supporting materials to create a DORA in the downtown area of the Village (“DORA Application”), which was submitted by Mayor Tom Stewart to Council on December 1, 2025; and

WHEREAS, Council having reviewed the DORA Application, desires to create a DORA according to the terms and conditions set forth in the DORA Application.

NOW, THEREFORE, be it ordained by the Council of the Village of Centerburg as follows:

Section 1. That the DORA Application meets the statutory requirements, that notice of the filing of the DORA Application and the date of the public hearing thereon was published in a newspaper of general circulation in the Village on January 10th, 2026 and January 17th, 2026 (copy attached hereto as Exhibit A), that the DORA Application was on file in Village Hall and was available for inspection by the public during regular business hours, and that a public hearing on the DORA Application was held on January 5th, 2026 and February 2nd, 2026 during which public testimony was allowed.

Section 2. The Heart of Ohio Designated Outdoor Refreshment Area (“Heart of Ohio DORA”) shall be and hereby is established to include the specific boundaries of the area, including street addresses, identified in the DORA Application attached hereto and incorporated herein by reference as Exhibit B.

Section 3. That the DORA Application attached hereto and incorporated herein by reference by and hereby is adopted to det forth:

- i. The specific boundaries, including street addresses, of the DORA; and
- ii. The number, spacing, and type of signage designating the Heart of Ohio DORA; and
- iii. The hours of operating for the Heart of Ohio DORA; and
- iv. The number of staff needed to ensure public safety within the DORA; and
- v. A sanitation plan that will help maintain the appearance and public health within the DORA;
- vi. The number of staff needed to carry out the sanitation plan; and

- vii. A requirement that beer and intoxicating liquor be served in some sort of plastic bottle or other non-glass container within the DORA.

Section 4. The Heart of Ohio DORA includes and encompassed the premises of the liquor permit holders identified in the attached Exhibit B.

Section 5. That the Fiscal Officer shall forward a copy of this Ordinance and all other required documents to the Ohio Division of Liquor Control, the Ohio Department of Public Safety and the Investigative Unit indicating the DORA was created.

WHEREFORE, this Ordinance shall take effect and be in force from and after the earliest period allowed by law after its passage and approval by the Mayor.

Heart of Ohio DORA

Designated Outdoor Refreshment Area Application

Members of Council,

The Village of Centerburg takes great pride in its strong sense of community. Our historic downtown has long been a gathering place where residents and visitors alike come together to enjoy everything our town has to offer. As we look toward the next chapter in our history, maintaining that focus on our community roots remains essential.

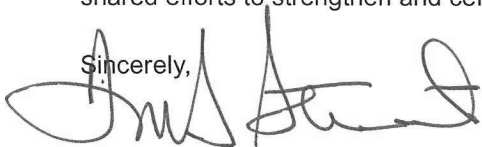

The creation of the Heart of Ohio Designated Outdoor Refreshment Area (DORA) represents an important step toward fostering camaraderie, supporting our local businesses, and inviting others to share in the celebration of our town. This initiative will help sustain enthusiasm for our community while bringing new excitement and entertainment opportunities to our citizens. Centerburg's DORA will energize our downtown, attract visitors to local businesses, and advance our long-term entertainment and development goals.

The following outlines the key parameters of this community initiative:

1. **Boundaries:** The DORA is proposed to extend between Preston St. and Clayton St. (east–west), and Houck St. to Church St. (north–south), encompassing the downtown area to support future community events. All eligible liquor permitted establishments are within these proposed boundaries, which includes at least 2 eligible liquor permits and any future permitted businesses within the boundaries.
2. **Businesses:** The DORA is proposed to initially include Centerburg's two existing liquor establishments – Long Branch Pizza and 1834 Midway Tavern – with the opportunity to expand as additional establishments are added in the future. Both existing business owners are enthusiastic about this opportunity.
3. **Hours of Operation:** Proposed hours are 4:00 p.m. – 10:00 p.m. Monday through Friday, and 12:00 p.m. – 10:00 p.m. Saturday and Sunday.
4. **Signage:** Permanent signs will be placed at roadways and thoroughfares marking the DORA boundaries and stating "No DORA beverages permitted beyond this point." Participating businesses will receive entrance decals indicating that DORA beverages are welcome inside.
5. **Procedure:** The Village will initially provide each participating establishment with 100 plastic cups featuring the Heart of Ohio DORA logo. Establishments may then purchase additional cups from the Village at \$1 each, with the expectation that they will charge customers an additional \$1 per DORA beverage. Proceeds will be deposited into a dedicated revenue fund to help cover operational expenses such as trash removal, cleanup, and downtown entertainment.

I look forward to the Council's consideration of the Heart of Ohio DORA Ordinance and to continuing our shared efforts to strengthen and celebrate the Village of Centerburg.

Sincerely,

Tom Stewart
Mayor, Village of Centerburg

Introduction

Background

The following outlines the statutory process and requirements under Ohio Revised Code Section 4301.82 for establishing a Designated Outdoor Refreshment Area (DORA) within the Village. A DORA allows qualified permit holders within a designated area to sell alcoholic beverages for consumption outside their establishments under controlled conditions.

Eligibility & Application Process

Under ORC 4301.82, a municipal corporation with a population of less than 50,000 is authorized to create one DORA that is less than 150 contiguous acres.

The application process begins when the Mayor submits a written application to Council which includes the following:

1. A specific description and map or survey of the proposed boundaries of the DORA;
2. The number, type, and location of permit holders within the proposed area;
3. Evidence that the area is conducive to public safety and economic development;
4. A proposed plan for sanitation, public safety, and signage; and
5. Hours of operation for the DORA.

Upon receipt of the Mayor's application, Council must:

1. Provide public notice of a hearing at least 45 days before adoption of a DORA ordinance; and
2. Hold at least one public hearing to receive input from residents and business owners regarding the proposed DORA boundaries and operations.

Adoption of Ordinance

Following the public hearing and any necessary revisions, Council may adopt an ordinance establishing the DORA. The ordinance includes the same elements contained in the Mayor's application (listed above) and any additional regulations Council deems necessary to ensure public health and safety.

Within 45 days of adoption of the DORA ordinance, the Village must notify the Ohio Division of Liquor Control of the creation of the DORA, including all boundary descriptions and participating permit holders. Once approved, the DORA becomes effective as of the date specified in the ordinance.

Operation & Regulation

Permit holders within DORA may sell beverages in plastic containers bearing the DORA logo or other identifying mark approved by the Village. Patrons may carry these beverages within the boundaries but must dispose of them before exiting the DORA.

I. Boundaries:

In accordance with ORC 4301.82B(1)(b), the boundaries of the DORA are illustrated below. The DORA boundary will run between Preston St. and Clayton St. from east to west, and Houck St. to Church St. north and south fully encompassing those roads.

The intention of the DORA boundaries is to encompass the Village Center, account for potential future business expansion and fully encompass the roadways (Clayton, Houck, Preston, Church) to allow for potential street events while avoiding the closure of Main St./SR 3/36. The hope is to support a robust downtown arts and entertainment atmosphere.

II. Public Health and Safety

In accordance with O.R.C. 4301.82(B)(5), the proposed requirements for ensuring public health and safety are included below.

1. Signage:

- a. All DORA signage shall use the logo and branding as shown in the attached Exhibit A, which may be updated from time to time by the Village.
- b. The Village shall install permanent signage at roadways and thoroughfares at the boundary of the DORA outlining "no DORA beverages permitted beyond this point".
- c. The Village shall provide participating liquor establishments with a sign/decal stating their participation and the hours of the DORA which will be placed in their front window or entrance and any side or rear entrances to the business.
- d. The Village shall provide participating businesses (non-liquor) with a sign/decal indicating that DORA beverages are permitted inside their establishment.

2. DORA-Identified Containers:

- a. The Village shall provide any new, or existing, participating liquor establishment with an initial supply of one hundred (100) plastic cups with the DORA logo.
- b. Participating liquor establishments will purchase additional DORA cups at a cost of \$1 each and may pass the cost of the container onto their customers. Proceeds from the DORA containers will be placed into a fund to offset the cost of operating the DORA.
- c. All establishments within the DORA shall only serve DORA beverages in Village-provided DORA containers.

3. Law Enforcement:

- a. With the exception of open-container provisions, the Knox County Sheriff's Office shall enforce all laws and ordinances, including but not limited to public intoxication, disorderly conduct, serving alcohol to a minor, and littering laws.
- b. All establishments serving alcohol within the DORA shall monitor their entrances/exits. No alcoholic beverage shall be permitted outside the establishment unless in an approved DORA container.
- c. The Village may request or assign additional special duty law enforcement to the DORA depending on Village needs such as special events.
- d. The Knox County Sheriff and/or the Village Administrator, when necessary to preserve the public health and safety, may declare the DORA suspended.

4. Sanitation:

- a. Participating liquor establishments shall provide one large receptacle inside their front entrance and available to the passing public, which the establishment's staff shall empty as necessary.
- b. Participating businesses (non-liquor) shall monitor their own trash needs and provide additional receptacles as necessary.
- c. All businesses within the DORA shall use their own staff to monitor the public sidewalk and other public areas around their business and remove DORA cups and otherwise keep the area clear of DORA cups.
- d. Participating businesses (non-liquor) shall reach out to the Village to discuss any needs or concerns associated with the DORA.
- e. The Village will maintain its current published trash receptacles and expand with additional trash receptacles as needed depending on the impact of the DORA. Village trash receptacles will continue to be emptied by Village staff.
- f. The Village does not anticipate the DORA will cause a significant increase in the trash produced, and therefore the Village shall continue providing only its existing staff, without additional service times or personnel.

5. Public Safety - Fire/EMS

- a. Central Ohio Joint Fire District will continue to provide the existing Fire, Rescue and EMS services within the DORA, with the existing number of personnel, and without an increase in services or personnel.
- b. For planned events in the DORA drawing large attendance and/or for which streets may be closed, the Fire Chief may stage personnel and/or equipment in a location within or near the DORA to allow for an immediate response.
- c. The Fire Chief and/or Village Administrator, when necessary to preserve the public health and safety, may declare the DORA suspended.

6. Special Events:

- a. All special events during a DORA must go through the Village's special event process. Organizers may be required to supply additional resources to ensure adequate signage, sanitation, and public safety requirements within the DORA.
- b. Any applicant who seeks an F-class Temporary Permit from the Ohio Division of Liquor Control during DORA hours shall first submit a request to the Village Administrator, who may object to granting the F-Permit, or to allowing the F-permit holder to participate in the DORA.

III. Nature of Establishments

In accordance with ORC 4301.82(B)(2) the nature and types of establishments that will be located in the DORA are listed below. The type of establishments located within the DORA are primarily businesses in retail shops, food service or service provider sectors.
