<p>On 17 June, 2026 I was sitting stationary on Chase Ave observing traffic, facing North. At approximately 9:29 am, I saw a car traveling South at a high rate of speed. I activated my dash mounted radar and confirmed a top speed of 38 mph in a posted 25 mph zone.</p> <p>As the car passed by me I turned my patrol car around and caught up to it. As the car approached the intersection of Chase Ave and Wiggin St. it slowed down but did not attempt to stop at the posted stop sign and made a right turn on to Wiggin St. I conducted a traffic stop near the intersection of Ward St, made contact with the driver, Cecilia Duffy, and explained the reason for the stop. Cecillia told me that she was on her way to a lab class. Upon my request all proper documents were presented.</p>
